

SCHOOL LEAVERS CELEBRATIONS DECEMBER 2014

Sunshine Holidays is introducing our Inaugural SCHOOLIES WEEK FOR DISABILITIES. This holiday is designed for Year 12 School Leavers with a disability who wish to participate in Celebrations in a SAFE, FRIENDLY and FUN environment. Norfolk Island is a unique and beautiful place in which to hold this event, and together with Norfolk's caring community, we expect this event will be held annually and be popular with young people throughout Australia, New Zealand and beyond.

MOST YOUNG PEOPLE ARE PRETTY INTERESTED IN:

**Becoming more independent
Spending lots of time with friends and peers
Developing relationships with others
Having fun
Exploring their abilities and interests**

Our program is designed to fulfil the needs of young people with support needs in celebrating this milestone in their lives. This supported holiday will encourage all of the above.

Sunshine Holidays Facilitators are experienced disability support workers and the program will be based on our Quality Framework and Risk Management Principles.

All guests will be supported from Brisbane or Sydney Airport and will be accompanied by Sunshine Holidays Facilitators. Whilst in Norfolk Island the teenagers will be provided 24hour support by Sunshine Holidays and will be supervised and guided in all activities by our professional team.

Sunshine Holidays have partnered and received support for this event from the Norfolk Island Central School, the Norfolk Island Police Force and the Travel Centre Norfolk Island.

Year 12 students from the NORFOLK ISLAND CENTRAL SCHOOL will share in the celebrations. The NORFOLK ISLAND POLICE will be available to assist with supervision and co-ordination of activities. The TRAVEL CENTRE will make many arrangements and have put a "Travel Package" together for families who may wish to holiday at the same time as their children.
